

Comparison: Assembly July 24 Budget Action vs Governor's Proposal

	<u>Governor's Proposal</u>	<u>July Budget Approved</u>
Federal Funding for California	Cuts that would have resulted in \$6 billion loss of federal funds	Retains \$6 billion federal funds by careful but still painful budget cuts
K-12 and Community Colleges	<ul style="list-style-type: none"> • Suspend Prop 98 constitutional protection on minimum educational funding • No payback for funding cuts, would have resulted in permanent cut of up to \$11.2 billion per year 	<ul style="list-style-type: none"> • Avoids suspending Prop 98 constitutional minimum level of education spending • Pays back education \$11.2 billion in future years
Higher Education	Eliminate Cal Grants	Maintains Cal Grants for low to middle income students
CalWORKS	Eliminate CalWORKS	Stops CalWORKS elimination but places time, other limits on eligibility
In-Home Supportive Services (IHSS)	IHSS—Virtual elimination as cut 90% of caseload by making disabled Californians ineligible for program	Rejects virtually all funding cuts proposed to In-Home Supportive Services (IHSS) but includes Governor proposed fraud provisions
Medical Care for Children	Eliminate Healthy Families – would result in 963,000 kids losing medical care	Retains Healthy Families and makes no changes for eligibility but \$125 million cut causes waiting list for new enrollees.
State Parks	Eliminate general fund support for state parks, to result in closure of all (220) state parks	Restores \$62 million of the \$70 million in state parks cuts—About 25 low used parks may be shuttered while state has no cash
Governor's Powers	Give Governor major unilateral cutback authority	Rejects Governor's unilateral cutback authority
Local Government	<ul style="list-style-type: none"> • Borrow local government Prop 1A funds causing immediate loss with no mechanism for payback • Permanent takeaway \$1 billion local govt. gas tax revenues • Shifted 3 yrs of redevelopment tax increment revenues to offset general fund costs of health programs 	<ul style="list-style-type: none"> • Borrows Prop 1A funds, sets up state funded mechanism to ensure payback avoiding current cut • Eliminates shift of local gas tax revenues • Retained 3 yr. redevelopment to offset general fund costs of health programs
Poison Control Centers	Eliminate all funding for poison control centers	Saves funding for poison control centers
Drinking Water, Air Toxics, and Chemicals	Abolish OEHHA which performs risk assessment for drinking water, air toxics, and chemicals	Saves Office of Environmental Health Hazard Assessment (OEHHA)
